

8 December 1965

Mr. Frank H.

Dear Frank:

Enclosed are the executed copies of Contract DG-456.

STATINTL
STATINTL
The only item warranting comment pertains to the delivery sites of the four systems as set forth in Dick's memorandum to you. It is our understanding, based upon conversations with [REDACTED] that the first system will be delivered to [REDACTED] for test and evaluation prior to shipment of the remaining three systems. The destinations of the remaining three systems are also undergoing change from that set forth in Dick's memo and are as yet unspecified.

[REDACTED] is expected to visit the plant around the middle of December for a project status presentation, and we expect to resolve this latter item at that time.

Sincerely,

[REDACTED]
